

Winning the War of Words: Essays on Zionism and Israel (Paperback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. From the United Nations to the media, and from academia to international NGOs, the attacks on Israel's legitimacy as the nation-state of the Jewish people are growing. To win this war of words, Israel's defenders must be able to clearly explain the ideas and circumstances that led to the creation of modern Israel and underpin its existence today. In this single-volume collection, Dr. Einat Wilf does just that, presenting her top essays on the Middle East, Israel, Zionism, and public diplomacy. In the book's opening chapter, "The Dangerous Unraveling of the Middle East," Wilf explains that the violent upheaval in the Middle East of today will take decades to sort itself out and that Israel should position itself as a "neutral bunker" in the region. In chapter two, "The International Community and the Limits of Good Intentions," Wilf urges world powers to reexamine the paradigm through which they approach the Israeli-Palestinian conflict. Wilf focuses on the negative role played by the United Nations Relief and Works Agency (UNRWA), which makes peace harder to achieve by inflating the number of Palestinian refugees and encouraging them to believe that Israel will one day disappear. In chapter three, "A Vision for Peace," Wilf presents a formula for Israeli-Palestinian peace based on the concept of "two states for two peoples" - a Jewish state for the Jewish people, and a Palestinian state for the Palestinian people, with each people enjoying dignity and sovereignty in their own national home. She also presents an inclusive vision of Zionism in which Jews, Christians, and Muslims live in harmony with a shared purpose. In chapter four, "Telling Our Story," Wilf reminds readers that the story of the Zionist movement is among the most...
